

# Vehicle Acquisition and Leasing

## Federal Supply Schedule 23 V Vehicular Multiple Award Schedule

### THE SANDBAGGER CORPORATION

An expedient method for filling sandbags. The Sandbagger can assist in emergency flood and water control, hazardous spill containment, soil erosion, fire control, roadway construction and barricades.

Send orders directly to the contractor:

**The Sandbagger Corporation**  
30846 N. US Highway 12  
Round Lake, IL 60073-9751  
Phone: (800) 770-7263  
Website: [www.thesandbagger.com](http://www.thesandbagger.com)  
GSA Contract Number: GS-30F-0005K

*Call for a complete listing of available models*

### THE GRADALL COMPANY

Hydraulic Excavating Equipment designed to handle a full range of jobs, from fine grading to mass excavation and pavement removal. A full range of attachments are available. Crawler models are both mobile and stable on very rough terrain. The telescoping boom design allows the machine to work with little overhead clearance under bridges or tree limbs.

Send orders directly to the contractor:

**The Gradall Company**  
406 Mill Avenue, SW  
New Philadelphia, OH 44663-3835  
Phone: 330-339-2211  
Website: [www.gradall.com](http://www.gradall.com)  
GSA Contract Number: GS-30F-0009K

*Call for a complete listing of available models*

## Federal Supply Schedule 23 V Vehicular Multiple Award Schedule

### WILDCAT MANUFACTURING COMPANY, INC.

Whether your needs are for high quality composting to remove unwanted material or whether you need to repair those unwanted potholes, Wildcat has the equipment to do the job.

Send orders directly to the contractor:

**Wildcat Manufacturing Company, Inc.**  
420 S HWY 81  
Freeman, SD 57029  
Phone: 800-627-3954  
Website: [www.wildcatmfg.com](http://www.wildcatmfg.com)  
GSA Contract Number: GS-30F-0014K

*Call for a complete listing of available models*

### AMAZE-N-TOW, INC.

The Amaze-N-Tow Pallet Carrier allows any vehicle to have the lifting power and material handling flexibility of a fork lift, plus the highway-speed transportation capacity of a large truck. The pallet allows any vehicle with a conventional ball or military hitch to haul and unload heavy loads simply, quickly and safely.

Send orders directly to the contractor:

**Amaze-N-Tow, Inc.**  
4802 Kolb Avenue  
Columbus, GA 31904  
Phone: 800-688-7627  
Website: [www.home.earthlink.net-amazentow](http://www.home.earthlink.net-amazentow)  
Contract Number: GS-30F-0013K

*Call for a complete listing of available models*

## Federal Supply Schedule 23 V Vehicular Multiple Award Schedule

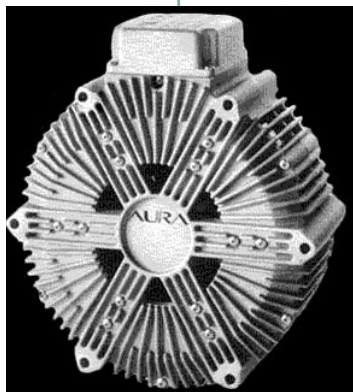

### AURA SYSTEMS, INC.

The AuraGen offers customers a new patented approach to generating continuous, pure sine wave AC power. It is mounted under the hood and provides up to 5kW pure Hz sine wave, 120/240 VAC power for operating any type of equipment in combination, from the most sensitive digital computer to the most brute force compressor. The system provides continuous power whether the vehicle is stationary or being driven. To engage power, simply turn on the vehicle and push the button.

Initially the AuraGen will be available for use on Ford F-series pickups, the Ford Expedition, Chevy and GMC C/K series pickups, the Chevy Suburban and Tahoe (and GMC equivalents), and Dodge Ram pickups. Other vehicles will be added to this list in the near future.

Send orders directly to the contractor:

**Aura Systems, Inc.**  
2335 Alaska Avenue  
El Segundo, CA 90245-4808  
Phone: 800-909-AURA  
Website: [www.aurasystems.com](http://www.aurasystems.com)  
GSA Contract Number: GS-30F-0012K  
Telephone: 800-909-AURA
